

Freedom of Information Act 2000 (FOIA) Request 008/19 - Spiders

Under the Freedom of Information Act I request:-

A) The total number of 999 calls made to your police force in 2018 where 'spider' or 'spiders' was the reason for the call.

4

B) As much detailed information as possible on the reason for the call.

Concern for caller clr states that there is a massive spider has evolved and has massive legs.

Concern for caller male rang 999 talking about a spider/fly being on his wall. Spoken with his mother who states that he is not well at the moment.

Concern for clr is who seems very confused and states that there is something in the corner of her room and shes frightened possibly spider.

Poss black widow spider clr states she thinks she has a black widow spider attached between her bin and front door. This is potentially a false widow however they still have a painful bite.

C) The outcome of the call - eg if police attended or not

Of the four incidents above a police officer attended three occasions.
