With regards to the above data it should be noted that:  
 Any given victim may be included multiple times in the above table in the instance that they have been the victim of multiple crimes.  
 If their age has changed during that time, they will be listed in the above as the age they were at the time of the offence.  
 For "Knife Involved," anything that would fit the Home Office ADR160 return has been included, which does notably include other items such as screwdrivers.
