

FOIA - 1401/20 VAP & Sexual Offences

Under the Freedom of Information Act I request:-

I am writing to request the following dataset as an Excel spreadsheet showing: rows showing the number of Violence Against the Person and Sexual Crimes (both sub-categorised by the Home Office Counting Rules reference, as opposed to the code number) against the columns showing the racial classification of those arrested.

Would you please be able to show these figures in full for 2018 and a second table for 2019 please?

Notes The above has been grouped based on the self-class ethnicity of those arrested.
The count of crimes during each time period is based on the total number of crimes created in that period.
The count of arrests during each time period is based on the total number of arrests in that period.
As such, any given arrest may not relate to a crime counted in the above, and any given crime may not relate to an arrest counted in the above.
