

## 1422/21 - Spiking 2017-2021

1. How many reports have been made of a spiking incident involving an injection in each of the following years: 2017, 2018, 2019, 2020 and 2021 (to date).  
As above, could you please give as much detail as possible about such reports, including month of report, ages and gender of victim and perpetrator, place of reported incident and the outcome of report (any arrests, charges, investigation ongoing etc).

*Where numbers are low, these have been presented in such a manner (grouped) as to avoid the application of exemptions relevant under the act (Section 40 – Personal Information), and these will not be broken down further.*
